## Bringing Holiday Cheer to the Hospital

Many people look forward to the December holiday season with joy and happiness all year long. Thoughts of spending time with family and friends become more important, and children and adults share their hopes for the perfect holiday. But sometimes illness and hospitalization interrupt these well-planned visions.

All Children's Hospital strives to support patients and families during the holiday season. One meaningful opportunity is *All Kids Wonderland*, an uplifting and free shopping event on December 22 & 23 to help families celebrate the season in the manner that best meets their holiday needs. The Child Life department developed this program in 2012 based on the thoughtful feedback of many patients and families who have been previously hospitalized at this time.

This free "shopping" experience is for parents and/or caregivers with children hospitalized as December 25th approaches. For each hospitalized child, families receive 10 complimentary tickets that can be exchanged at *All Kids Wonderland* for a wide variety of gift items. Parents are escorted through the Workshop by volunteer Shopping Assistants who can help with age-appropriate gift ideas. After enjoying a break for cookies and hot cocoa, they can also pick up any needed batteries or gift wrap.

Most importantly, what the parents choose—and how they decide to use their gift items—is totally up to them. Some may use all their tickets for gifts for their hospitalized child, while others may select gifts for each of their children or other young family members. Patients who are admitted after Wonderland closes on December 23rd won't be forgotten; they'll receive an All Children's logo blanket, a stuffed toy and a gift certificate.

All Kids Wonderland is simply not possible without generous support from our local community. The holiday season typically sees an outpouring of community support from individuals and groups who bring in gift items for kids of all ages. Many people are also looking for opportunities to volunteer their time throughout the season. *All Kids Wonderland* presents opportunities for both kinds of giving. Toy donation bins are conveniently located just inside the hospital's main entrance. Volunteer Services can assist with opportunities to volunteer throughout the event. The All Children's Hospital Foundation can help you or your organization host donation drives and sponsorship opportunities.

Because our patients range in age from birth through young adulthood, we've prepared the wish lists below to help you in your efforts to support *All Kids Wonderland* this season. Thank you, and may this holiday season bring health and happiness as you help us honor all children!

## Items Currently in Demand at All Children's Hospital

---

### Donation Guidelines:

Hospitalized children have special health needs, so we must be extra careful with the types of gifts we can accept. For example, dust, smells (such as cigarette smoke and perfume) and animal hair can be harmful to kids who are already sick.

### What we can take:

- New, unused items in original packaging that were purchased within the last 3 months
- New books
- New, unused handmade items (caps, pillows, pillow cases, scrub type pants, quilts etc.)

### What we cannot take:

- Used toys
- New stuffed toys more than 18-inches tall
- Stuffed toys from vending machines or carnivals
- Food and/or candy
- Latex balloons or anything containing latex
- Sports cards
- Toys with violent themes or that are insensitive to a culturally diverse population

Do you have items that don't fit our guidelines? Please consider other local community groups that may be able to accept your gift.

## Infant & Toddler Ideas

---

- |                                      |                   |                 |

- Sensory toys
- Plush vibrating pillow
- Chewy tubs
- Light chasers
- Weighted blankets
- Weighted toys
- Bubbles
- Shaving cream

## Miscellaneous

---

- Batteries - especially AA, C, and D
- Wrapping paper (holiday, neutral and birthday themed)
- Gift bags (holiday, neutral and birthday)
- Tissue paper
- Gift tags
- Holiday shopping bags
- Bows

**Any donated item that is not suitable for use in the hospital will be given to the Ronald McDonald House or other local charities for distribution to children in those settings. Donated food items will be given to the Ronald McDonald House for families of patients treated at All Children's Hospital.**

**We thank you for your generous support  
for All Kids Wonderland and throughout the year.**
